

To Whom It May Concern:

We manufacture hardwood furniture for outdoor use. This furniture requires regular maintenance, and we highly recommend Doctor Teak of Gardena, CA as your refinisher.

Chris and his team have the experience, facilities, and equipment to do the job right.

Please feel free to call me regarding your furniture or maintenance issues.

Best regards,

A handwritten signature in black ink, appearing to read "Daryl Braun", with a long horizontal flourish extending to the right.
